## A few things that are important to us...

We hope you feel at home in The Cabin, Sheffield's first Pancake & Waffle House! We want all our customers to experience the same authentic food, service and ambience found in Canada / North America, but with a British twist.

We believe in supporting local producers and independent businesses so we use free range eggs, Our Cow Molly ice-cream and ethically sourced Sheffield-roasted coffee. We try to be as eco-friendly as we can with our takeaway packaging.

You can buy our maple syrup, coffee, hot chocolate, maple cookies, maple candles and lots more from our sister company, Wildwood, **UPSTAIRS** (or from their online gift shop\*).

Thank you for supporting our independent business. We are always keen to know what you enjoyed as well as how we could do better, so please feedback to one of our team.
